

COMMUNITY FLOOD PREPAREDNESS

Quick guide · River Ward · 2026

Before heavy rain

- Move medicines, identity papers, and electrical items above expected water level.
- Charge phones and power banks. Save the local emergency number: 112.
- Prepare drinking water, a torch, dry food, and one small bag per person.
- Check on older neighbors and anyone who may need help evacuating.

Risk level and action

LEVEL	SIGN	ACTION
WATCH	Water rising	Pack essentials and monitor official updates.
WARNING	Roads flooding	Move children and older adults to a safe place.
EVACUATE	Order issued	Leave immediately by the marked community route.

If water is moving, do not walk or drive through it.

Only 15 cm of fast-moving water can knock an adult down. Turn around and use the signed evacuation route.

Assembly point: River Ward Community School

HOUSEHOLD EVACUATION CARD

Keep this page near your front door

Leave early when an evacuation order is issued

- 1. Turn off electricity only if it is safe to do so.
- 2. Take your emergency bag, water, medicines, and identification.
- 3. Follow the green route signs. Never use a flooded shortcut.
- 4. Tell the assembly volunteer if a family member is missing.
